

FREE 2019-2020 'Just in Time' Workshop Series "Learn it today, Use it tomorrow"

NASA Langley Research Center's (LaRC) Science Directorate and the National Institute of Aerospace (NIA) will offer three Saturday Professional Development workshops to support science teachers of grades 6 through 12. A certificate documenting PD hour of participation will be provided for each session attended. Space is limited.

GOAL: Explore student-centered Earth systems science using NASA data and education resources.

Attend one or all of the following sessions:

Saturday, October 5, 2019 - Topic: Air Quality: "The Air We Breathe"

Saturday, November 2, 2019 - Topic: Weather: "How Much is Too Much"

Saturday, March 21, 2020 - Topic: Carbon Cycle: "Trees Around the World"

Time:

9 am - 12:30 pm

LOCATION:

National Institute of Aerospace

100 Exploration Way

Hampton, VA 23666
